ARRÊT

ECOLIERS

The image shows a close-up of a yellow emergency door on a piece of machinery. At the top, there are three red emergency lights. The door is labeled with the brand name 'ECOLIERS' in a large, bold, black font within a rounded rectangular border. Below this, the text 'PORTE DE SECOURS' is written in a smaller, bold, black font, with a small black square icon between the words. Underneath that, the text 'EMERGENCY DOOR' is written in the same bold, black font. The door itself is a dark grey or black panel. The background is a clear blue sky.
